

(P-1 continued)

MSHA No.	Manufacturer
124	Plastic Wire and Cable
125	BICC
126	Bell Northern (Canada)
127	Chester
128	Rockbestos
129	Narrangansett
130	Coleman
131	Suprenant
132	Packard Electric
133	Silec (France)
134	Hackethal (Germany)
135	Aetna
136	AIW
138	Boston Insulated
145	Calco Electric
152	Industrija Kablova (Yugoslavia)
155	Manhattan
159	ExCel
162	Corona Insulated
164	Felten and Guillaume
166	Electrical Conductors
168	Southwire
177	BICC (UK)
178	Rochester Corporation
179	Trexon Products
181	Communication and Control
182	Belden
183	Alcatel Canada Wire
184	Amercable
186	Kerite
187	Sumitomo
188	BICC Phillips (Canada)
189	Eickoff-Siemens

MSHA No.	Manufacturer
191	BICC Brand-Rex
192	USBM
194	Pirelli Cable
198	Flygt Corporation
199	Hawker Siddeley (Canada)
204	Laribee
205	Prestolite
211	Pacific Electricord
212	Pirelli (Canada)
215	Conspec
216	Cabel (Venezuela)
217	Walsin Lihwa (China)
218	Condumex (Mexico)
219	Pacific Electric (China)
224	Lynenwerk (Germany)
225	Comm/Scope
227	Pirelli (Brazil)
228	Conductores Monterrey (Mexico)
229	Alpha
230	Seoul Electric (Korea)
231	Essex
233	Huber and Drutt (Austria)
234	Silec (England)
239	Triangle
241	Coleman
243	Vulkor
244	Manhattan
246	Kerco
251	REMS Imperial
254	Elektrim (Poland)
255	MM Cables (Australia)
257	Arch Environmental
258	Aetna

There you have it! The “straight scoop” on P-numbers. So if you want to identify the manufacturer of an MSHA accepted mining cable -- just get the P-number from the cable and then reach for *Wire Wisdom* number (you guessed it) “P”-1.
